

GARMENT CARE INSTRUCTIONS

- Follow garment washing instructions included on the care label.
- If garment is embroidered or printed, the decoration will last longer if washed inside out.
- Zip up any zippers, and attach Velcro to itself to prevent snagging.
- For fine fabrics place in a mesh laundry bag before washing.
- Never iron directly over a screen print decoration.
- Using a fabric softener will impede the ability of wicking performance fabric to do its job.
- Heat causes shrinkage. To maintain sizing, wash garment in the coldest water possible and dry on low or hang to dry.

“We should all do what, in the long run, gives us joy, even if it is only picking grapes or sorting the laundry.”
-E. B. White
